

Go Fringe or Go Home

Written by Kim Zierlein | August 13, 2021

When you think of western fashion what is one of the first elements that comes to mind?

FRINGE!!! ALL THE FRINGE!!!

That I the only thing I think about when it comes to western fashion. How can I ice myself out or accent an amazing pair of boots with fringe? Fringe is everywhere. It is on the earrings, the boots, the purses, the shirts, skirts, pants, bracelets, the horses...literally everywhere. Women love fun and eccentric in fashion that's why we are drawn to it. We love the edge. We love the statement.

Cowboy Outlets has bold fashion statements available and also a new store has opened up at the Denver International Airport! You **MUST** check it out when you are out globe-trotting.

The Boot Babes highly recommend pivotal life-changing boot fashion as a must to any woman's wardrobe. Take a look at these amazing eccentric fashion statements with fringe and customize them to you!

So many options!!!

(Fits True to Size)

Set a standard and a statement. You not only stand out; you embrace the identity of western culture. The West is about independence. In your fashion be independent to not fit the mold. You are the mold so make the fashion fit you!

Check out these two fierce options to CLASSICALLY stand out in any crowd.
